IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS

The Irish Shows Association would advise all animal owners who have their animals insured, to extend cover while showing said animals at Shows. We understand that it will cost very little or nothing at all, depending on whom you have your insurance with. If you are one of the few who do not have cover, we would advise that you think about putting it in place for this purpose – it may be well worthwhile. The reason for us giving you this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen and it is established that your animal was out of control, you may be held responsible, or partly responsible, for any injury or damage caused and may end up paying all or part of any settlement reached.

.....

Horse riding is a dangerous sport and all competitors in Ridden Classes are strongly advised, for their own safety, to wear appropriate head gear which complies with up-to-date Safety Standards.

Department of Agriculture, Food and The Marine Specific Requirements Horses and Other Equines

PREMISES REGISTRATION:

As from 1st May 2012, any premises (which includes shows, fairs and markets) where horses or other equines are gathered must be registered with the Department.

Owners/persons in charge of such gatherings are required to submit a completed Application Form for registration to keep records of movements on/off their premises.

Records must be retained for at least 3 years as they may be required by the Department for the purposes of disease.

GRANARD AGRICULTURAL 71st SHOW

RECORDS REQUIRED ARE:

1. The name and address of the owner/person in charge of the premises from which the equine came.
2. Premises Registration Number from which the equine came.
3. Passport Number/UEL Number of the animal(s).

Any further information on the requirements for moving horses and equines to shows will be provided by the Department's website at:

<http://www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement> Department of Agriculture, Food and The Marine.

SPECIFIC REQUIREMENTS REGARDING THE MOVEMENT OF BOVINE TO SHOWS

The Department of Agriculture implemented a number of changes on the 4/2/2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the Certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable; -

1. The movement of cattle to and from an Agricultural Show within the State must be recorded on the Animal Identification and Movement System (AIM).
2. In line with these changes a specific Certificate of Compliance for the Movement of Bovine from a single holding to a Show, must now be requested prior to the movement of animals concerned.
3. These Certificates can be created by (i) applying online using their agfood account or (ii) where the keeper is not online the Certificate can be generated by the local regional Veterinary Office following receipt of a NBAS31K with issue of the Certificate being subject to normal criteria applicable. This form will be available on the Departments Website and will also be included with the Show Circular when issued.
4. When applying for this Certificate the destination herd/or Show number is not required. The Certificate generated will include an "S" symbol.
5. The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the Certificate.
6. Please also note – Calves which are less than 10 days cannot be moved to a Show.
7. As is currently the case the Movement Notification Section of the Certificate should be completed by the Keeper and Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the Certificate also.

GRANARD AGRICULTURAL 71st SHOW

8. Completed forms should be sent by the Show Secretary to the Local RVO within the 7 days of the Show. Animal Identification and Movement (AIM) Division. Department of Agriculture, Food and The Marine.

SPECIFIC REQUIREMENTS – SHEEP

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

MOVEMENT DOCUMENTATION: -

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks can only be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR10) which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM NOTIFICATION:

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows; -

1. The owner/keeper presents the signed and completed dispatch document to the Show Secretary who checks it to ensure that it is completed in full.
2. The Show Secretary fills in the Mart section of the dispatch documents with the show number, the date of the move back to the source holding, stamps it with the show stamp and signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local DVO within the 7 days of the show movement.
4. The show secretary keeps a white copy for his/her records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.

FLOCK REGISTER:

All movements of sheep to and from shows must be recorded in the keeper's flock register.
