The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour.

Inappropriate behaviour shall include but not be limited to the following:

- Profanity, coarse or vulgar language or gestures towards judges, exhibitors or other Show officials
- Harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following Member Show activities
- Failure to follow rules and/or obey instructions
- Abusing any animal

Disciplinary Procedures:

Complaints of misconduct against an Exhibitor or other participant at a Member Show shall be investigated and adjudicated upon by a subcommittee appointed by the Irish Shows Association. The said subcommittee shall consist of the regional chairpersons and the sitting president of the Irish Shows Association and shall be known as the Disciplinary Committee. The Disciplinary Committee shall seek to ensure the existence of consistent, effective, fair and transparent complaint procedures and shall act in accordance with natural and constitutional justice.

Procedure: A complaint of misconduct/inappropriate behaviour against an Exhibitor or other participant in a Member Show shall be made in writing and delivered to the Secretary of the relevant Member Show within 72 hours.

A copy of the complaint shall be sent by the Secretary of the Member Show to the National Secretary of the ISA. A copy of the complaint will be sent by the National Secretary to the person or persons against whom the complaint is made. A person or persons against whom a written complaint is made shall have a period of 14 working days from the date of receipt of the claim to reply to the said complaint; such reply shall be made in writing.

Both parties shall state whether an oral hearing of the complaint is sought. The Disciplinary Committee shall be entitled to hold an oral hearing in regard to the complaint whether or not sought. The Disciplinary Committee shall decide in each case whether to hold such an oral hearing in respect of the complaint, or any part thereof and there shall be no appeal from such decision of the Disciplinary Committee. For the purposes of dealing with a complaint, any three members of the disciplinary committee will constitute the complaint committee.

The Disciplinary Committee shall, at any time, seek further information from either party. In the event of either party refusing or failing to provide such further information within the time specified by the Disciplinary Committee, the Committee shall be entitled to make a decision on the complaint

and/or to hold an oral hearing of the complaint in the absence of a copy of such further information being received by the Disciplinary Committee from either party.

The Disciplinary Committee shall be entitled to reject a complaint where, in the opinion of the Committee, it finds there is no basis for it.

Sanctions: In the event of a first incident of inappropriate/unacceptable behaviour being deemed to be proved against the offender, the Disciplinary Committee shall issue a written warning to the offender. In the event of any subsequent incident, the Disciplinary Committee shall be entitled to impose sanctions on the offender, including a prohibition on such offender participating in any of the events/activities at any Member Show of the ISA, provided always that in the event of a first incident of inappropriate/unacceptable behaviour being deemed by the Disciplinary Committee to constitute gross misbehaviour, the Disciplinary Committee shall be entitled to impose such sanctions on the offender as it deems appropriate, including the prohibition on such offender from participating in any of the events/activities of any Member Show of the ISA.

The decision of the Disciplinary Committee shall be final.

IMPORTANT NOTICE TO ANIMAL OWNERS INVOLVED IN SHOWING ANIMALS AT SHOWS

Granard Agricultural Show Society would like to all Animal Owners who have their Animals Insured to have the Insurance Cover extended to cover them while showing Animals at Shows. It may cost very little or nothing at all depending on who you have your Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible for or partly responsible for any injury or damage caused and could end up paying all or part of any Court Award or settlement reached.

ANIMAL MOVEMENT

Horses

Specific Requirements Horses & Other Equines

As from 1st May 2012, any premises (which includes shows, fairs and markets) where horses or other equines are gathered must be registered with the Department of Agriculture. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises. Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease. It is important therefore that Show organisers should contact their local Regional Veterinary Office in advance so that consideration can be given to compliance with the requirements.

Any further information on the requirements for moving of horses and equines to shows will be provided on the Department's website www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement

IMPORTANT NOTICE

Horse riding is a dangerous sport. While mounted all competitors and ride judges are required, for their own safety, to wear appropriate head gear that complies with up to date safety standards and is securely fastened.

Cattle

Note for Information Regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on 4th February 2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the

movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable:

- The movement of cattle to and from an Agriculture Show within the State must be recorded on the Animal Identification and Movement System (AIM).
- In line with these changes a specific certificate of Compliance for the “Movement of Bovine from a Single Holding to a Show” must now be requested prior to the movement of animals concerned.
- These certificates can be created by (i) applying online using their agfood account or (ii) where the keeper is not on line the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Departments Website and will also be included with the Show Circular when issued.
- When applying for this certificate the destination herd / or Show number is not required. The certificate generated will include an “S” symbol.
- The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.
- Please also note—Calves which are less than 10 days cannot be moved to a Show.

As is currently the case the Movement Notification Section of the Certificate should be Completed by the Keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also.

Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the Show.

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the county where the flock is located.

AIM Notification

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
